

Jigsaw Weave & Felt

(2 days)

Investigate the wondrous possibilities of incorporating woven effects in hand-made felt. Learn to interweave pre-felts made from fine Merino wool fibres and finish your felt pieces with attention to technical detail for optimum effect. Choose your colour palette and designs for striking results.

Jigsaw Weave and Felt is a unique way of making felts with a strong visual impact. The possibilities are endless; including cushions, bags, wearables and a range of accessories.
