

Sculptural Felts

with Martien van Zuilen (Australia)

www.martienvanzuilen.com

**Create refined vessels,
adornments and
abstract forms and
explore the sculptural
capacity of handmade felt .**

**Learn a variety of innovative
felting techniques
using wool fibres in combination with
wire, foam, multiple resists, and
mixed media.**

**Explore materials and discover the
possibilities through
individual projects.**

**A class full of creative adventures
and serious fun.**
